CAREER OPPORTUNITIES

On successful completion of the Associate Degree of Accounting graduates will be able to work in the accounting profession.

If you go on to complete an accredited bachelor degree, you will have the knowledge and qualifications to commence professional certification programs with CPA Australia, the Institute of Chartered Accountants in Australia (ICAA) and the Institute of Public Accountants (IPA).

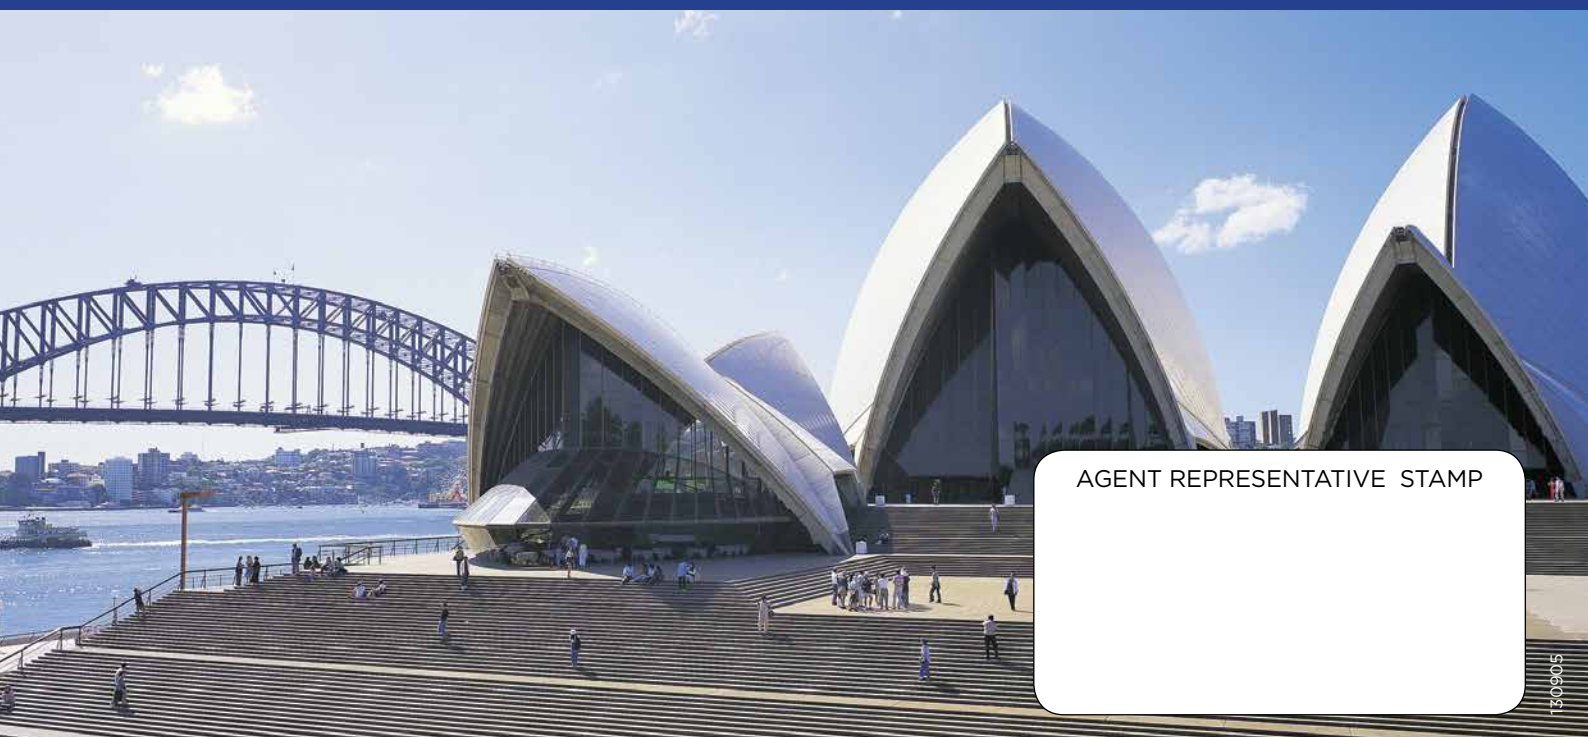

BENEFITS OF THE TAFE NSW ASSOCIATE DEGREE OF ACCOUNTING

- **A supportive learning environment.**
You will learn in small classes and enjoy a high level of direct contact with academic teaching staff. You will develop academic skills required for successful study at TAFE and also at university.
- **Practical and industry-focused study.**
The course uses workplace scenarios to build knowledge of the industry.
- **An internship program.**
In the second year you will undertake an industry internship to give you hands-on work experience in the accounting profession.
- **Streamlined visa processing** is available with our university partner, Australian Catholic University.
- After graduating from the Associate Degree, you can enrol into the third year of a related **Bachelor Degree** at ACU.

Note: University graduates will be eligible to apply for the Graduate Skilled Visa (485). Check the Department of Immigration and Citizenship (DIAC) website (<http://www.immi.gov.au/skilled/general-skilled-migration/485/>) for further details.

Accountants, ANZSCO Code 221111, are on the Australian Government Skilled Occupation List (SOL) @ July 2012.
