### Example of USI Creation Notice

Dear Student,

#### SUCCESSFUL CREATION OF UNIQUE STUDENT IDENTIFIER (USI)

Your USI Account has been successfully created with the following details:

USI: ABCD1234

First Name: John

Middle Name: -

Last Name: Smith

Birth Year: 1988

Please take this creation notice with you when you enrol as you will need the above details for the training organisation to verify that your USI is correct.

You will only ever need one USI and it is yours for life. Please keep a record of your USI somewhere safe for future reference as you will need this every time you undertake training.

You can update your details, assign access rights and view any training outcomes (when available) by logging in to your USI account at any time. If you lose your USI or forget your password you can visit our website [www.usi.gov.au](http://www.usi.gov.au) to recover it.

#### Why do you need a USI

The USI is an important part of the national training data collection. It helps ensure that all records for the same person in the collection stay together regardless of which training provider delivers the training.

- Your training provider cannot issue you with a certificate or other evidence of your nationally recognised training outcomes without collecting and verifying your USI, except where special exemption exist.
- Nationally recognised training includes both long courses leading to diplomas and certificates as well as short courses (e.g. for first aid, trucking licenses).
- The USI can provide you with a password protected online access to your national training records.

More information is available at [www.usi.gov.au](http://www.usi.gov.au).
