

R12077 CERTIFICATE 4 IN DESIGN (INDUSTRIAL DESIGN)

INTERNATIONAL STUDENT APPLICATION REQUIREMENTS

The Certificate 4 in Design (Industrial Design) course at TAFE NSW is in high demand by both Australian and international students. Places are limited and entry is subject to a selection process that includes the assessment of a portfolio.

How to apply

To apply for the Certificate 4 in Design (Industrial Design) course you must complete and submit the following:

- 1. TAFE NSW International Student Application Form**
Attach any required supporting documentation. Note that an English language competency requirement of IELTS 6.0 applies to applicants for the Certificate 4 in Design (Industrial Design) course. Please check that you have met any course prerequisite requirements. Further details can be found at www.studyintafe.edu.au
- 2. This form**
Please ensure you have completed all sections and that you have printed your name and preferred study intake clearly across the bottom of each page.
- 3. Your portfolio in the format specified**
See *Section 4* for specific details of requirements. Your name should be clearly marked on each piece of work you submit, as well as any containers for that work

Application closing dates

Applications for courses that have additional entry requirements, such as this course, take longer to process. Check the calendar on the www.studyintafe.edu.au website for more information.

Send your completed documents to:

Sydney Institute
International Admissions
827-837 George Street
Marcus Clark, Building W
Ground Floor
Ultimo NSW 2007

Late applications may be accepted up to one month prior to the commencement of classes, as long as places are still available.

Please print your name: _____

Preferred intake (month/year): _____

Section 1: Personal information

Name:

Address:

Email:

Telephone:

Date of Birth:

Age:

Male / Female

Country of Citizenship:

I request that my original work/portfolio is returned to me. I will pay all associated costs.

Note: We do not return your original work unless you tick the box above. By doing so, you agree to pay return postal costs to the address listed above. No original work/portfolios are retained by TAFE NSW beyond two months after course commencement.

Section 2: Authorship of design work

The work you submit for your design task(s) must be solely your own ideas, drawings and design work. It must be completed solely by you. You must sign the declaration below in confirmation.

My declaration that all work submitted is completely my own:

I, _____ (insert your full name)

Of, _____ (insert your address)

Declare that the work I have submitted in support of my application for enrolment in the TAFE NSW Certificate 4 in Design (Industrial Design) course are solely my own ideas, drawings and design work. I accept in future, if it is established the work was not my own, my place in the course will be forfeited and I will not be entitled to a fees refund.

Preferred intake (month/year):

Section 3: Background and commitment statement

Please answer the questions below. Your answers should be concise and clearly written. Applications will be assessed according to the following criteria:

- Relevant and prior education and training
- Demonstrated commitment to a vocational area
- Demonstrated commitment to or ability to complete the course
- Relevance of course to career intentions

(A) Relevant prior education or training

Details of any prior education or training you have completed should be indicated on the TAFE NSW International Student Application Form. You should attach certified copies of relevant academic records.

(B) Commitment to working in the relevant design field

Demonstrate your commitment to eventually working in a design field relevant to the course.

For example:

- What related subjects or courses have you already completed?
- What prior involvement have you had with the design field?
- Have you researched what this design field is about?

Please print your name:

Preferred intake (month/year):

(C) Commitment and ability to complete this design course

TAFE NSW design courses require you to complete a substantial amount of work outside of scheduled class hours in addition to classwork. How have you demonstrated your commitment and ability to complete this design course?

For example:

- How much, and what type, of work have you undertaken in completing previous courses?

(D) Relevance of this course to your career intentions

What are your career goals?

For example:

- What type of work do you wish to undertake in the future?
- How will this course help you achieve your career goals?

Please print your name:

Preferred intake (month/year):

Section 4: Design task

Design a product you would like to have mass produced, listed below are some examples:

- Furniture
- Lighting
- Water bottle
- Sports watch
- Smart phone
- Sports footwear
- Automotive

Draw your initial ideas on paper.

Draw your final design on paper or computer.

We are interested in seeing how you explore your design ideas visually.

You can have many different versions of your design idea.

We suggest you write notes on your drawing to help explain your ideas.

Submission format

Please scan your drawings and submit on a CD or DVD as high quality JPEG or PDF and ensure your full name is written on the CD or DVD using permanent pen. Or save images at 72 DPI and attach and email to intadmissions@tafensw.edu.au maximum 10 megabytes.

Criteria

Your application will be assessed using the following selection criteria:

- A creative approach to problem solving
- The ability to develop design solutions
- The imaginative and innovative application of ideas
- Clean and accurate skills in the presentation of work

All selection criteria apply equally.
