

# 20524 BACHELOR OF INFORMATION TECHNOLOGY (NETWORK SECURITY)

## INTERNATIONAL STUDENT APPLICATION REQUIREMENTS

The Bachelor of Information Technology (Network Security) course at TAFE NSW is in high demand by both Australian and international students. Places are limited and entry is subject to a selection process that includes the assessment of a portfolio.

### How to apply

To apply for the Bachelor of Information Technology (Network Security) course you must complete and submit the following:

- 1. TAFE NSW International Student Application Form**  
Attach any required supporting documentation. Please check that you have met any course prerequisite requirements. Further details can be found at [www.studyintafe.edu.au](http://www.studyintafe.edu.au)
- 2. This form**  
Please ensure you have completed all sections and that you have printed your name and preferred study intake clearly across the bottom of each page.
- 3. An essay (answer 2 questions, using between 200 and 250 words for each answer)**  
See Section 2A for specific details of requirements. Your name should be clearly marked on each piece of work you submit.
- 4. Application interview**  
See Section 2B for specific details of requirements.

### Application closing dates

Applications for courses that have additional entry requirements, such as this course, take longer to process. Check the calendar on the [www.studyintafe.edu.au](http://www.studyintafe.edu.au) website for more information.

Send your completed documents to:
