**Country:** France

**Course:** Diploma of Events Management

**Institute:** TAFE NSW - Sydney Institute

"I like the attraction of an overseas experience and the most important reason why I chose Australia was the climate and relaxing atmosphere. Australians are very friendly.

I had already studied travel and tourism and wanted to continue in that area so I chose Events Management at TAFE NSW - Sydney Institute.

The best thing about the course is the attention given to international students. After my course I would love to stay longer in Australia."
