

Hye Sun Park

Country: Korea

Course: Diploma of Hairdressing (Salon Management)

Institute: TONI&GUY Sydney International School of Hairdressing, Paddington

Hye Sun Park, a software programmer for nine years in Korea, decided she wanted a change. She came to Australia on a working holiday visa and had such a good time she decided to stay and study.

Through a unique partnership, Hye Sun enrolled in 2006 with TAFE NSW – Sydney Institute in the Diploma of Hairdressing Salon Management and did her 2-year training at the TONI&GUY Sydney International School of Hairdressing.

“TONI&GUY has a strong reputation all over the world. I’ve made lots of friends in the industry who took courses at other private colleges and I realised the TAFE NSW and TONI&GUY program was excellent and offered much better training.”

“My dream is to be one of the best hairdressers in Australia. I’m working full-time now in a large salon and I’m going to apply for Permanent Residency.”

TAFE NSW curriculum is nationally accredited and industry endorsed. In this partnership between TAFE NSW – Sydney Institute and TONI&GUY, there are many value-add components. In addition to the comprehensive course material, students learn specific TONI&GUY cutting and styling techniques, and participate in photographic shoots and hair shows with session stylists and makeup artists. The course includes 200 hours work placement in a TONI&GUY salon. Graduates may apply for work in more than 400 TONI&GUY salons in 35 countries including USA, Canada, UK, South America, Middle East, South East Asia and Australia.

Sydney is a great study destination. It has been voted the world’s best city in 2007 and 2008 for its beautiful landscape, climate, friendly people, affordable accommodation, and quality education and training. It also ranks as one of the top three global cities for employment and business opportunities, alongside London and New York.
